VSOC CENTRE 9 – JUNE 2015

OWNERS OF: VIRAGO, DRAGSTAR, ROYAL STAR, VENTURE STAR, MIDNIGHT STAR, WARRIOR, RAIDER & STRATOLINER
(OWNERS OF OTHER CUSTOM BIKES WELCOME AS ASSOCIATE MEMBERS)

The season really is in full flow!

A great time was had by all who ventured out to the Tattershall Lakes Weekend. The facilities were excellent with a large Lake, Swimming Pool, Woodland Bar with Fire Pits (Harry put those pallets down!) and a lively Club House (where we sang and boogied) and reasonably priced restaurant. Thanks to Jim for organising all this.

We also had two Ride outs this month, one to East Carlton Park and the other to The Ace Café, where nine bikes from Centre 9 met up with a few Centre 13 Members for a good day's dry riding. (Pics on next page)

RIDEOUT TO ACE CAFE

Hi everyone,

Well what a great weekend at Tattershall Lakes! A great place to go and meet up with all the others from Centre 9. It was nice to see the Lincolnshire crowd there as well. Thanks to Jim for sorting it all out and all the hard work he put into organising it. Well done mate. Thanks also go to Steve and Cathy for bringing the BBQ gear... nice one! It was good to see John and Sue who came up from Wales to join us, also Terry and Tony from the Road Runners who made it. Great to see Paul DJ Harris come to join us. His mate brought Paul's caravan up for him so he did not miss out.

May 10th ride out to East Carlton Park - What a good turnout again, 18 bikes in all. On the way down to the next junction, Terry and Jane came by me and Cathy waving, so we pulled up on slip road, where Terry told me that 3 bikes had pulled onto the hard shoulder, we tried to get in touch with them but it was too noisy. We had to get off the slip road. As we pulled into the layby, the others turned up. It was little Malc, Tony, John & Helen. Something had come off Malc's bike and hit Tony's lights. We set off again and all got to the park in one piece. The sun came out and we all something to eat and drink. It was nice to see Pat & Di, Kev, Tony, Malc, Harry and Dave for a natter. We all made our way home in the dry.

The Leicester meet at the Nags Head was a good turn out again. Joe and Catherine are in Australia and Paul DJ is in the IOW. It was good to see Lee & Pete to catch up. Jennifer won the raffle. Again thanks to Chris and Lorraine for doing the raffle.

Sunday May 17th was the trip to the Ace Café. We met up at LFE services for the ride down. As I got onto the motorway just in front of me was Chris and Wendy on their bike and when we got the services Chris and Lorraine, Ray, Dave and Brian were waiting. As we came to the next junction we were joined by John & Helen, Jim & Anita. At the ace café we met up with Terry and Tony from the Road Runners who had a stand there. We had about 2 hours there looking around the bikes and the café, then it was time to go. Thanks Chris and Lorraine for the ride down and back without any hiccups... see you all so

LINCS LYRICALS

In addition to our Lincolnshire meeting this month, another good turnout of members, a number of us manned the Club stand at the MCN Festival of Motorcycling. Those of us who headed to Peterborough were Trevor, Rachel, Steve, Cath, Lou, Gill and myself. The event itself was pretty good, with a lot of different things going on throughout the weekend. The number of stalls there was probably comparable to last year but I think we all felt that it was a good starting point for going forward if they do it again next year.

We had a fairly good amount of interest in the Club, some of which were in Centre 9, which is great.

Look on to July's calendar and we will be having a stand at Boston Bike Night on the 2nd July from the early evening onwards. More information is available on their website at www.bostonbikenight.co.uk. If you would like to put your bike on the stand then please get in touch with me.

Stay safe out there and see you on the road soon.

JOE'S TIP OF THE MONTH

Reducing Rally Risks

When going to a bigger and non VSOC rally, be more security conscious. Ask someone to keep an eye on your valuables when going for a shower. Look around the site to see what security there is at night and whether people can walk on the site without going through the main gate.

Before riding home check your bike has not been tampered with.

Till next time Ride Safe - Joe
