Centre Rep Chattering

Hi All

I hope you're all keeping safe and well as we are in Carlton. I know a few of us have had a few solo ride-outs to blow away the cob webs and it feels good.

The 4th July - Happy 25th Anniversary to all The Lostriders members. A great achievement by Paul and Mark our founder members, and Joe, Pat and Phil who are all still very active within the Club.

Here's to many more good friendships and times "Cheers".

There has not been any activity within the Centre since lock down hence no write ups from our Area reps.

I am in receipt of our new membership details for July, as a Centre we have lost 13 members leaving us with a total of 85 paid members.

It was very sad to receive news that another Centre 9 member passed away. Chris Ruddock of Coalville had cancer of the face for the past 12 months. I know Joe Broughton was in contact with him

every couple weeks, Chris stayed in good spirits to the end. Our condolences to his partner Penny and his family, another funeral escort we could not attend.

We were also informed by Centre 5 Rep Julia Pignon that Elaine Muff passed away after a short battle with cancer. A lovely bubbly VSOC friend who enjoyed life to the full, she will be dearly missed at Rallies. Our thoughts are with Dave, their family and VSOC members.

John Wood has suggested ZOOM, a live conference call for members to interact. This would cost the Centre £11.99 per month and John would organise and run it. This will only be implemented if the majority of members want to use it and get involved. Please send me your thoughts asap.

Remember if you have any input for the Newsletter Fran would love to hear from you.

That's all folks

Stay safe, Ride safe

Hi Folks

Well here we are again! Another month has gone by and no sign of us getting back to the fun of rallies but better safe than sorry.

It's so sad to hear we've lost two more VSOC members to the dreaded big C and our thoughts are with their partners and families.

Our village continues to remain free from Covid 19 but now that the campsites have reopened the holiday makers are back - I don't blame them really, I'd quite like to go on holiday too!

Bikewise we've been out a few times, we're so lucky we have such great roads around here and there's two places where we can get excellent ice cream. The only trouble with the lanes is the

random tractor you come across and sometimes the roads seem to be disappearing into the hedgerows and dykes - all adds to the excitement of riding.

We have had a few visitors as we're on a popular motorcycle route, apparently it's known as the coast road so we were told by some bikers at Willingale Woods. You are welcome to call in for a cuppa if you're passing just give me a call on my mobile or drop me a text to make sure we're here. We've plenty of room to socially distance in our garden.

That's it for now. Hope to see you sometime.

Ride safe and stay healthy.
